

All-in-ones from Donann

Our all-in-ones can be worn as a sleepsuit or just for lounging about in. Our fleece and cotton jersey is warm and soft. All-in-ones make an excellent alternative to pyjamas and dressing gowns. Each fleece all-in-one comes with a full length front zip. All-in-ones are loose fitting for comfort. Machine washable at 40°C.

We make all-in-ones with hoods, mittens, feet, zips on the back or, if you prefer, buttons instead of zips. We also have a range of disability options including pop studs and zip legs. Call us or check our website for more information. All sizes from 2 years through to adult extra large, in over 45 colours.

We make most of our all-in-ones to order so, if you want something special such as shorter arms or legs, please let us know as we should be able to alter the all-in-one to suit.

All our clothing is made by us in the UK.

You can find all our leaflets and order forms for downloading and printing on our website at www.donann.co.uk/brochures.php or contact us and we'll post them out to you!
